

SUITCASE® Portable Ramps

SUITCASE® ramps are a durable and dependable solution for a variety of mobility and accessibility needs. From the SUITCASE Singlefold to the Singlefold AS, Singlefold GF, and Trifold AS, you are sure to find a convenient, lightweight, and easy-to-use ramp perfect for wheelchair and scooter use. These portable ramps are built to withstand repeated use and offer a variety of slip-resistant surfaces. All SUITCASE ramps feature non-breakable handles are ideal for use at home or on the go.

SUITCASE® Singlefold Ramp

Weight capacity		800 lbs.
Width		30"
Material		Aluminum
Tread		Extruded
Warranty		Lifetime

Made in the USA

- » Single-fold design sets up quickly
- » Full-length hinge for additional strength and stability
- » Made of lightweight, durable, and high-strength aluminum
- » Extruded, slip-resistant surface for superior traction

SUITCASE® Singlefold AS Ramp

Weight capacity		800 lbs.
Usable width		29.5"
Material		Aluminum
Tread		Applied
Warranty		Lifetime

Made in the USA

- » Single-fold design sets up quickly and folds for storage or transport
- » Can be used as one unit or easily separated into two lightweight sections
- » Made of lightweight, durable, and high-strength aluminum
- » Applied, slip-resistant surface

SUITCASE® TRIFOLD® AS Ramp

5' 6' 7' 8' 10'

Weight capacity		800 lbs.
Usable width		29.5"
Material		Aluminum
Tread		Applied
Warranty		Lifetime

Made in the USA

- » Three-fold hinge allows for ultimate portability when longer ramp lengths are needed
- » Designed to be used and carried as one unit, or separated into two individual sections for easier transport and reduced handling weight
- » Made of lightweight, durable, and high-strength aluminum
- » Applied, slip-resistant surface

Increase the reach of SUITCASE ramps with the optional Top Lip Extension. The TLE extends the standard 3" top transition plate to 9", allowing the ramp to clear the rear bumper when loading a mobility device into the back of an SUV or van. Made of aluminum with an extruded slip-resistant surface. Sold as a pair.

SUITCASE® Singlefold GF Ramp

29" 35" 51" 67" 82"

Weight capacity		660 lbs.
Material		Graphite Fiber
Tread		Coated
Warranty		Lifetime

- » Lightest folding ramp in the industry, yet exceptionally strong
- » Unique material composition consisting of glass-reinforced graphite fiber
- » Full-length folding joint for additional strength
- » Slip-resistant coating for superior traction
- » High visibility lines on the outer edges for added safety
- » Ideal choice for active users and caregivers

The optional Carry Bag is a handy accessory that fits on the back of a mobility device to conveniently transport the smallest SUITCASE Singlefold GF Ramp. Compatible with the 29" ramp only.
